androidtv

A Google Account is required for full access to features. Apps such as 'Freeview' require broadband access through an ISP; their usage will count towards the data limit of your broadband plan. ISP terms and charges apply. Netflix streaming membership required. Subscriptions may be required for certain services. Casting optimized for selected services only. Streaming quality for other content might vary. Freeview Streaming TV provides only a subset of the available Freeview Channels. The HDMI Output on this SMARTVU Dongle is limited to 1080p (Max), and is NOT capable of higher Resolutions.

Google, Google Play, YouTube, Android TV and other marks are trademarks of Google LLC. Google Assistant is only available in English. Availability of services varies by country and language.
