

Bolt-10Pro

10000mAh COMPACT SMART CHARGING Power Bank

with Dual USB-A USB-C Output

Bolt-10Pro is engineered to be the ideal portable power bank for multiple devices. This high capacity 10000mAh power bank ensures faster and smarter charging, through the dual USB output ports and a USB-C input/output port. The built-in multi-protection system combines high-voltage protection, over-current protection, over-charging protection, and more to ensure safe charging for all your connected devices. The smart LED screen keeps you informed on the charge left on your power bank.

Powerful Backup Battery

Bolt-10Pro boasts powerful 10000mAh li-polymer backup battery, you can power up your devices, anywhere, anytime.

Dual USB Output Ports

Charge your devices at faster speeds with the dual smart-charging USB output ports.

USB-C Input/ Output Port

You can conveniently use the same cable to charge your phone and external battery pack.

Multi-Device Charging

Simultaneously charge 3 devices via the USB-C and dual USB-A charging ports

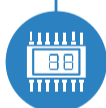

Compact Design

Lightweight, slim, and portable enough to put in your pocket, place in your bag, or use on the go

Multi Protect System

Bolt-10Pro ensures safe & dependable charging, as it features over-charging & high-voltage protection

Smart LED Screen

Featuring an LED screen, it will keep you informed on the charge left on your power bank
